

Contract: 8818-0/18

Testing & Examination Services for Construction Trade Contractor License

RER and PWWM are tasked with certifying individuals attaining licensure in a specific construction trade category. Therefore, Miami-Dade County is requesting bids from firms experienced in preparing competency examinations for construction trade contractors, masters, journeymen, and maintenance men needing certifications, as established under Chapter 10 of Miami-Dade County Code and the Florida Building Code, as well as special examinations as directed by the Regulatory and Economic Resources Department (RER) and the Department of Public Works and Waste Management (PWWM).

Specifically, the County requires the services of a firm that will prepare, proctor and grade examinations for the certification of construction trade contractors, masters, journeymen and maintenance men. The awarded Bidder must be able to certify the results of the examinations to the County and shall conduct examinations at either Miami-Dade or Broward County sites.

NOTE: In the event of a natural disaster or emergency, examinations shall be administered on a more frequent basis. Any additional services related to emergency response requirements will be addressed in accordance with Section 2, Paragraph 2.11 of the Invitation to Bid.

The contract is awarded to the primary awardee, as follows:
